She refused to take the documents in hand and screamed numerous things at me, including being diplomatic status, a private entity, and she does not except contracts. I set the documents on the bench next to her and informed her that it was a summons and complaint. She kicked the papers off, hit me in the leg, and then kicked them toward me several more times.

I am a natural person over the age of eighteen and am not a party to or otherwise interested in the subject matter in controversy. I am a private process server authorized to serve this process in accordance with relevant law. Under penalty of perjury, I declare that the foregoing is true and correct.
